Re MB Docket No. 04-233

Dear Ms. Dortch:

Rochesterfest is a 501(c)3 non-profit corporation. We put on a 9-day festival each June and will celebrate our 26th year June 21 – 29, 2008. We are the largest festival in southern Minnesota and entertain over 150,000 people over our 9-day run.

KTTC TV has provided great coverage of our event for many years. The staff is very accommodating. We feature over 68 events and they single many of them out for feature stories. Each noontime during the week they broadcast their newscast from our Food Vendor row.

In addition they telecast live our Grand Parade which features over 100 entries each year. They partner with us to promote our larger events and in general keeps Rochester and the surrounding communities well aware of Rochesterfest.

We think they do a great job and look forward to having our relationship continue for many years.

Respectfully submitted

Carole Brown
Executive Director
